**2006 S.C. Early Action Compact Summit
Columbia Metropolitan Convention Center
Bringing “Cleaner Air Sooner” to South Carolina**

This unique opportunity to showcase ideas and information among the various stakeholders involved in the EAC process will demonstrate the desire and interest of South Carolina’s community to lead by example and achieve *Cleaner Air Sooner*. Topics include innovative ideas for cleaner air, finding funding, land use planning, transportation alternatives, and saving money through energy efficiency. Please join us for this exciting event!

Visit the DHEC Website (<http://www.scdhec.gov/baq/eacsummit>) for updates and registration. For additional information, contact Melinda Mathias at mathiamc@dhec.sc.gov or (803) 898-3269.
